

# MEMBERSHIP MEANS MORE

The YMCA is more than a place to run on a treadmill or jump in a pool. It's more than a place to leave your children or find your fitness class. Being a member of the YMCA is being a member of a community of caring people, committed to the wellness of spirit, mind and body for all we serve. As a charitable organization, we are partners in making our communities as strong as possible, by fostering not only a sense of belonging, but also a sense of being the best US possible.
